Very little To some extent To a moderate extent To a large extent To a great extent

1. Graded assessments (e.g., exams, assignments) align with the content taught in the course.
2. Learning activities (e.g., lecture, exercises, cases, problem sets) assist with understanding course content and preparing for graded assessments.
3. Instructional materials (e.g., textbook, readings, ppt slides, videos) present course content in a way that was readable and clear.
4. Instructional materials identified in the syllabus as "Required" assist with understanding course content and preparing for graded assessments.
5. Course website provides clear guidance on the course (e.g., access to syllabus and course requirements, materials, schedule, announcements).

Please identify a specific aspect of this course that you found particularly helpful for your learning or a specific strength that this course instructor has:

If you gave any of the questions above a "1" or "2" rating, please provide specific examples that explain why and help guide improvement in that area:

Never had effective homework and instructor was unclear in lectures and covered overwhelming content.

If this instructor displayed excellence in teaching, please nominate the instructor for a School of Business teaching award.

Please complete class and instructor identifying information on the back.
